Dear Mr. Abboud and Mr. McCallum:

I am writing this letter to kindly thank you for your contribution and support for my community Turkey Distribution Day on Nov. 23, 2010. Because of your thoughtfulness and kindness the turkey give-away was an overwhelming success. Because of your participation in this event, the residents of Sherman Gardens, Marble Manor and Hoggard Senior Citizens Complex and Lake Tonopah were able to enjoy and experience a successful traditional Thanksgiving Day celebration and dinner. You truly showed a sense of compassion and caring for me and the residents of my district. The feedback I've already received was that the recipients themselves were very appreciative with your generosity. I would like to thank Napoleon McCallum and Andy Abboud and the entire team of Government Relations for their effort and contribution of making this a successful event.

Please note: Napoleon himself was there the entire day to meet and greet the residents and to personally distribute the turkeys. I couldn't have done it without him.

Sincerely,

A handwritten signature in black ink that reads "Harvey J. Munford".
